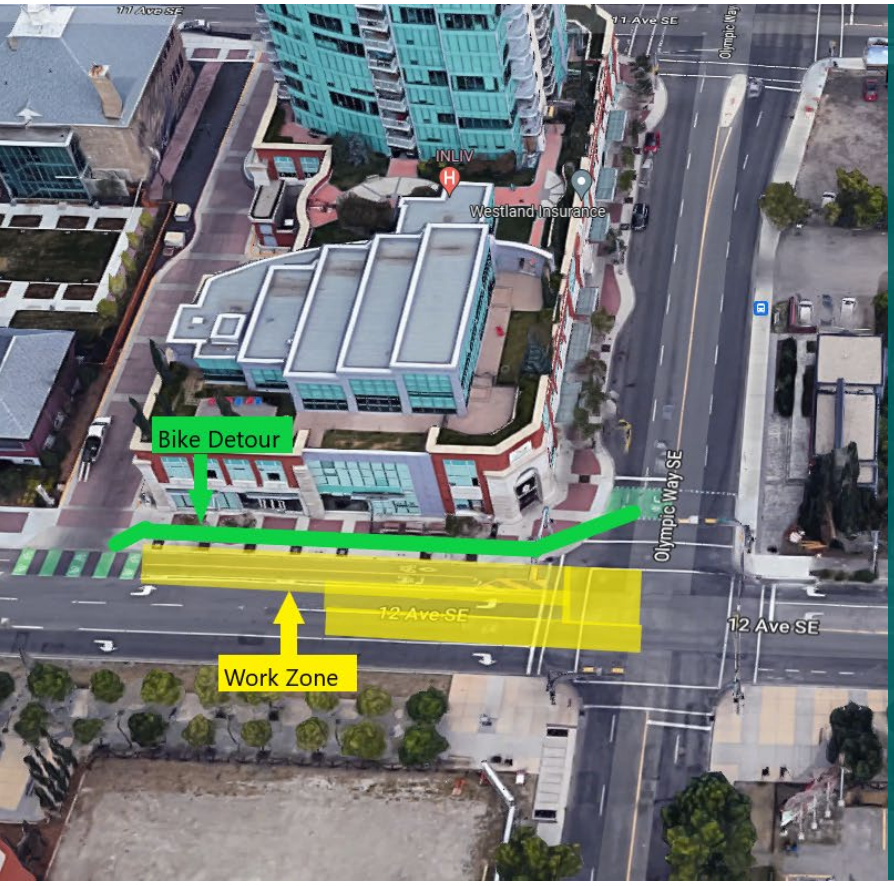
## GREEN LINE UTILITY RELOCATION - 12 Avenue and Olympic Way SE

### Project map:

*(The work areas indicated below are approximate and not to scale)*



### Project details:

**Reference: CC-05.2**

**Location:** Along 12 Avenue SE, between 3 Street SE and 5 Street SE (**see map on left**).

**Dates:**

Phase 1: Electrical work is anticipated to begin the **week of March 21, 2022** and will take approximately 3-4 days.

Phase 2: Construction is anticipated to begin on **April 11, 2022** and will take approximately 4 months.

**Work times:**

Weekdays, 7 a.m. - 5 p.m.
Some weekend work may be required.

### What's happening?

ENMAX Power is required to relocate underground electrical infrastructure to accommodate future construction of The City of Calgary's Green Line project. ENMAX work will occur in two phases, including electrical and construction, with varying impacts. We understand that this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

**If you are a Property Manager for a building affected by this work, please share this notice with your tenants.**

## GREEN LINE UTILITY RELOCATION - 12 Avenue and Olympic Way SE

### What to expect:

We make every effort to minimize the effect our work has on daily activities, and we follow all applicable standards and bylaws. Below are the things to be aware of related to this project.

**During construction**:

- ENMAX and contractor vehicles and associated utility equipment will be onsite.
- Construction barricades and/or safety fencing.
- Project and/or road signage.
- Noise and/or minor vibrations during construction.

**Power outages:**

- A power outage is not required to facilitate this work.

**Road closures, detours, parking and access:**

- Cycle lanes along 12 Ave SE will be closed with detour routes available; please follow signage.
- Temporary lane closures along 12 Ave SE at Olympic Way SE during working hours; please follow traffic signage.
- Sidewalk access will be maintained.

**After construction:**

- Areas affected by the project will be repaired once work on is complete (weather permitting).
- Ongoing maintenance of repaired areas on private property is the responsibility of the homeowner/property manager.
