RE: Southeast Substation and Transmission Line Development
Information about our proposed work in your area

Dear Resident/Occupant/Business Owner:

On behalf of the ENMAX Power Stakeholder Relations team, we want to share this information package with you about our proposed Southeast Substation and Transmission Line Development Project.

We have included the following documents for your review.

- Project newsletter: features details about the work including location and proposed schedule
- Alberta Utilities Commission Public Involvement Brochure: outlines the review process

This information is also available at enmax.com/SESubstation

Consultation during the COVID-19 pandemic
Typically, our team would go door-to-door to discuss this project with you and your neighbors and document your feedback. Due to current physical distancing measures, we have adapted our stakeholder consultation process to help all of us stay safe, while ensuring your thoughts and opinions are collected.

If you have any questions or comments about the proposed Southeast Substation and Transmission Line Development Project, you can request a call-back from a member of our ENMAX Power Stakeholder Relations team.

To contact a member of the ENMAX Power Stakeholder Relations team:

- Call us at 403-514-1471,
- Email us at stakeholderrelations@enmax.com, or
- Use the form at enmax.com/SEsubstation

Please include the following information in your request:

- Your name or the person we should contact
- Preferred contact phone number or email
- Reason for callback or subject matter to discuss

Thank you, and we look forward to speaking with you soon.
