

UTILITY WORK IN YOUR COMMUNITY

July 2020

Ref# 21253646

WHAT'S HAPPENING?

On behalf of ENMAX Power Corporation, Valard Construction is upgrading the electrical services in your community. This work is part of our Proactive Cable Replacement program. We are replacing the current underground electrical infrastructure in order to continue providing you with safe and reliable power.

WHERE?

This work will take place primarily in the alleyways between Whiteland Drive NE and 44 Avenue NE, east of Whiteland Drive NE. Please see the outlined project area indicated on the map below.

WHEN?

Construction is scheduled to begin July 27, 2020 and will continue for approximately two months.

DURATION?

Crews will be working Monday to Friday, from 7:00 a.m. until 4:00 p.m. Weekend work may be required.

WHAT CAN I EXPECT DURING CONSTRUCTION?

VISUAL

Please expect the following equipment on-site:

- ENMAX and Valard Construction vehicles; hydrovac trucks; and, associated utility equipment
- Project and road signage

Ground restoration will take place following this work. A timeframe for final restoration is dependent on weather and ground conditions.

TRAFFIC ACCOMODATIONS

Please expect the following:

- Single-lane access will be maintained when crossing roadways
- Alleyway access will be restored at the end of each working day
- When crews are working near your property, there will be limited or restricted access to alleyway garages/parking pad during working hours (please follow road signage)

Please arrange to move vehicles from your alleyway garage/parking pad by 6:30 a.m., if required.

NOISE

There may be an increase in noise and/or minor vibrations during construction activities. Please be advised we comply with the City of Calgary's Community Standards Noise Bylaw. In the event we are required to temporarily exceed these levels, necessary permits are obtained from the City.

MAP

Construction will take place along the area highlighted in yellow.

OUR COMMITMENT

ENMAX is committed to being a responsible corporate neighbour in the communities we serve. This commitment includes responding to public concerns and inquiries to allow for meaningful project dialogue. This allows us to deliver value-driven service in a responsible and accountable manner. We appreciate your cooperation while we continue to provide reliable power to all Calgarians.

QUESTIONS?

If you have any questions about this work, please contact our Power Customer Relations team at 403-514-3990 or email powercustomerrelations@enmax.com.

**Please note that ENMAX makes every effort to work within the schedule, as indicated above. At times, unforeseen circumstances may prevent us from carrying out the work as planned. We kindly ask for your understanding if additional time is required.*
