

DOWNTOWN CALGARY TRANSMISSION REINFORCEMENT PROJECT

14 AVE SW BETWEEN 6 ST AND 7 ST SW CONSTRUCTION UPDATE

ENMAX anticipates construction to begin the week of March 11 on the north side of 14 Ave SW, between 7 St SW and 6 St SW. The construction will include temporary fencing, hydrovacing, excavation, and a crane for manhole installation.

While the area is under construction, traffic is expected to be reduced to one lane and cycle lane and parking will not be available. For pedestrian safety, access will be restricted and temporary fencing, signage and detour information will be installed.

Construction activities are anticipated to occur between 7a.m. to 7p.m.; Monday through Saturday for a month. Some evening and weekend work may be required.

A map highlighting the area under construction is include on the reverse.

If you have any questions or wish to discuss the project please contact us:
