

DOWNTOWN CALGARY TRANSMISSION REINFORCEMENT PROJECT

14 AVE SW & 7 ST INTERSECTION CONSTRUCTION UPDATE

ENMAX anticipates construction to begin the week of April 15, in the intersection of 14 Ave SW and 7 St SW. Construction activities are anticipated to occur between 7a.m. to 7p.m.; Monday through Saturday. Work at the intersection of 14 Ave SW and 7 St SW is expected to be completed within two weeks. Some evening and weekend work may be required at the intersection.

The construction will be performed in two phases. Phase 1 from April 15 - 17 and Phase 2 from April 22 - 24. A map highlighting the area under construction is include on the reverse. Notifications for the rest of the open trench work along 14 Ave SW towards 9 ST SW will be sent to affected stakeholders prior to any work being done.

The construction will include temporary fencing, hydrovacating, excavation, and other pre-constructon activities.

While the area is under construction, traffic is expected to be reduced to one lane and the cycle lane and parking will not be available. For pedestrian safety, access will be restricted and temporary fencing, signage and detour information will be installed.

If you have any questions or wish to discuss the project please contact us:
