

DOWNTOWN CALGARY TRANSMISSION REINFORCEMENT PROJECT

25 AVE SE CONSTRUCTION UPDATE

ENMAX anticipates construction to begin March 30, on the north side of 25 Ave SE, east of Spiller Rd SE. The construction will include temporary fencing, hydrovacating, excavation, and a crane for manhole and ductbank installation.

While the area is under construction, traffic is expected to be reduced to two lanes and temporary fencing, signage and detour information will be installed.

Construction activities are anticipated to occur between 7a.m. to 7p.m.; Monday through Saturday for two weeks. Some evening and weekend work may be required.

A map highlighting the area under construction is include on the reverse. ENMAX will be returning to the area for open trench construction in the fall.

If you have any questions or wish to discuss the project please contact us:
