

DOWNTOWN CALGARY TRANSMISSION REINFORCEMENT PROJECT

CENTRE STREET CONSTRUCTION UPDATE

On February 4, 2019 ENMAX expects to begin construction on the west side of Centre St, between 14 Ave SW and 18 Ave SW. The construction will include temporary fencing, hydrovacating, excavation, manhole and ductbank installation.

While under construction, traffic is expected to be reduced to two lanes and parking will not be available. For pedestrian safety, access will be restricted and temporary fencing, signage and detour information will be installed.

Construction activities are anticipated to occur between 7a.m. to 7p.m.; Monday through Saturday. Work between 14 Ave SW and 17 Ave SW is expected to occur in February and 17 Ave SW to 18 Ave SW in March. Evening and weekend work will be required at 15 Ave SW and 18 Ave SW intersections, as well as the manhole installation south of 14 Ave SW.

A map highlighting the area under construction is include on the reverse.

If you have any questions or wish to discuss the project please contact us:
