

Southeast Substation Safety Enhancement Project 2023

DOUGLASDALE & DIAMOND COVE

Project details:

Reference: 21453233

Locations:

Various locations within and surrounding ENMAX No. 32 Substation located near the intersection of Deerfoot Trail and Bow Bottom Trail, east of the Bow River.

Anticipated project dates:

Phase 1 – Early July until September 2023:

Installing new underground electrical infrastructure adjacent to the substation.

Phase 2 - January 2024 until Q3 2026:

Substation building construction and electrical infrastructure modifications.

Phase 3 - August 2024 until October 2024:

Flood mitigation along the Bow River adjacent to the substation. Site restoration will occur after completion.

What's happening?

As part of the **Southeast Substation Safety Enhancement Project**, ENMAX Power will begin performing various construction activities at the No. 32 Substation.

In early July 2023, ENMAX Power will commence construction activities, including the installation of new underground electrical equipment, substation building construction, and flood mitigation work.

We understand that this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

If you are a Property Manager for a residence affected by this work, please share this notice with your tenants.

DOUGLASDALE & DIAMOND COVE

What to expect:

We make every effort to minimize the effect our work has on daily activities and we follow all applicable standards and bylaws. Below are impacts to be aware of related to this project.

Phases 1, 2 and 3:

- Additional ENMAX and contractor vehicles traveling to the work site via Douglasbank Drive SE and Douglasbank Way SE.
- Access to the bike path adjacent to the substation may be impacted during construction.
- Project signage and/or pedestrian detour signage near work areas.
- Construction fencing and/or safety barricades surrounding work areas.
- Noise and/or minor vibrations during construction.

Prior to the above construction activities commencing, you will receive advance notification with additional project details.

We're here to help.
