Project details:

Reference: 21468188

Location:

North and east of the intersection of 5 Street SW and 8 Avenue SW (see map on right).

Dates:

Work will begin August 22, 2022.

Duration:

This project will take approximately four (4) months.

Work times:

Monday - Saturday, 7 a.m. - 4 p.m.

What's happening?

ENMAX Power is relocating current underground electrical infrastructure to support Calgary's evolving electrical needs. We will be building a new electrical vault along 8 Avenue SW, east of 5 Street SW and relocating equipment from its current location on 5 Street SW. We understand that this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

If you are a Property Manager for a building affected by this work, please share this notice with your tenants.
