

CONSTRUCTION UPDATE

OCTOBER - DECEMBER 2022

SUBSTATION NO. 1 (9 AVE SW, 7 ST SW & 8 ST SW)

Project map:

(The work area indicated below is approximate and not to scale)

Project details:

Reference: 21249127

Location:

830 9 Avenue SW and surrounding areas.

Dates:

- Construction within the project site will begin early October 2022.
- Intermittent alleyway restrictions (1-2 days) in October 2022.

Work times:

Weekdays, 7 a.m. - 5 p.m. Some weekend and after-hours work will be required.

What's the update?

Preparatory work is now complete, and construction at the new ENMAX Substation No. 1 site (830 9 Ave SW) is scheduled to begin in **early October 2022**. Our contractor, Graham Construction & Engineering, will be completing construction on behalf of ENMAX. Work starting in October will include backfilling at the west end of the construction site, excavation to install the new building foundations, and the removal of existing overhead electrical infrastructure at the north side of the site. Construction will continue into 2025, and ongoing project notices will be sent to stakeholders detailing major milestones and impacts as construction progresses.

We understand this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

If you are a Property Manager for a building affected by this work, please share this notice with your tenants.

CONSTRUCTION UPDATE

OCTOBER - DECEMBER 2022

SUBSTATION NO. 1 (9 AVE SW, 7 ST SW & 8 ST SW)

What to expect:

We make every effort to minimize the effect our work has on daily activities, and we follow all applicable standards and bylaws. Below are the things to be aware of related to this project.

Impacted stakeholders will receive ongoing notification and additional information throughout the project.

Early October – December 31, 2022:

- Construction will begin within the new substation site.
- Some hydrovac activities are required at the east end of the alleyway, adjacent to 7 Street SW.
- Pole removal adjacent to the alleyway north of the project site.
- **Road closures, detours, parking and access:**
 - Strictly no parking in alleyway.
 - Alleyway will be narrow, limited to single lane traffic only.
 - Parkade access in alleyway will be maintained; please follow signage.
 - Alleyway access may be limited to only one entry/exit (7 St SW/8 St SW) at certain times.
 - A flagger will be present, if necessary, to accommodate access at the opposite end of the alleyway.

January 2023 – continuing into 2025:

- Construction will continue within the new substation site.
- Intermittent lane and sidewalk closures along 9 Avenue SW, 7 Street SW and 8 Street SW; please follow signage.

During construction, expect to see:

- ENMAX, Graham and contractor vehicles, heavy machinery including excavators, skid steers, dump trucks and associated utility equipment.
- Construction barricades and safety fencing.
- Project and road signage.

We're here to help.
