

# CONSTRUCTION NOTICE

JULY - SEPTEMBER 2021

**Ref# 21187197**

## WHAT'S HAPPENING?

ENMAX Power is performing maintenance on the electrical services in your area. We will be rebuilding an underground electrical vault and working on underground electrical infrastructure near your business. By doing so, we can continue providing you with safe and reliable power. All work will take place in the utility right-of-way.

## WHERE?

This work will take place on the east side of 7 Street SW, between 7 Avenue SW and 8 Avenue SW (**see map attached**).

## WHEN?

This work is planned to start on **July 19, 2021** and will continue for approximately 11 weeks. Crews will be working Monday to Friday, from 7 a.m. until 4 p.m. Weekend work may be required.

## WHAT CAN I EXPECT DURING CONSTRUCTION?

### VISUAL

Please expect the following equipment on-site:

- ENMAX and contractor vehicles, hydrovac trucks and associated utility equipment
- Construction barricades, safety fencing and road signage

Ground restoration will take place following the completion of this work.

### TRAFFIC & PARKING ACCOMMODATIONS

Please expect the following on-site:

- Restricted alleyway access from 7 Street SW during construction; please use 6 Street SW entrance and exit
- Sidewalk closures and bike lane detours in effect along the east side of 7 Street SW; please follow all on-site signage
- Single lane traffic will be maintained along 7 Street SW; please follow all on-site signage
- There will be limited street parking along 7 Street SW

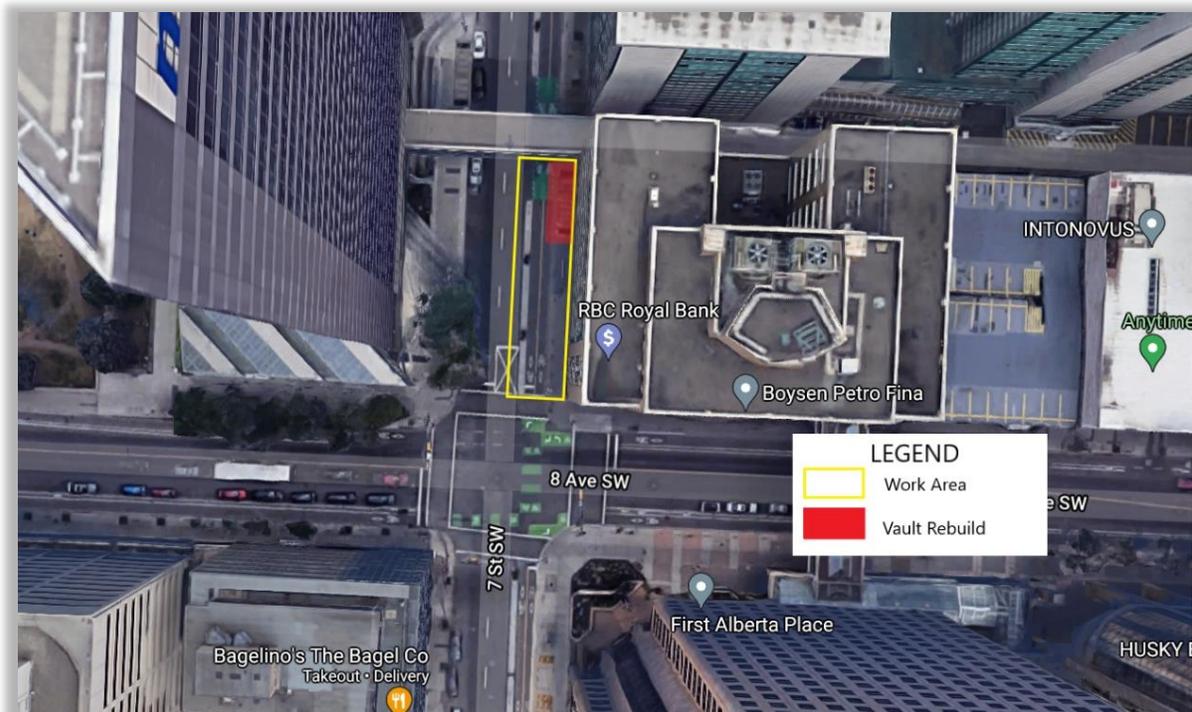

### POWER SUPPLY

A power outage will be required to facilitate this work. Notifications will be sent in advance to affected properties, with the date and time of outage. This notice will address any outage related questions you may have. Please note, alleyway access will be restricted on the day of the outage.

## NOISE

There will be periodic increases in noise and/or minor vibrations during construction activities. Please be advised we comply with the City of Calgary's Community Standards Noise Bylaw. In the event we are required to temporarily exceed these levels, necessary permits are obtained from the City.
