

CONSTRUCTION NOTICE

AUGUST - DECEMBER 2021

Ref #21262979

****PROJECT UPDATE – TIMELINE EXTENDED****

We appreciate your cooperation while we continue to provide reliable power to Calgarians.

WHAT'S HAPPENING?

ENMAX Power is upgrading the electrical services in your community. We are rebuilding an underground electrical vault and installing new electrical infrastructure to continue providing you with safe and reliable power.

WHERE?

This work will occur along 8 Street SW, between 13 Avenue SW and 14 Avenue SW (**see map below**).

WHEN?

The project was initially scheduled to begin in July; however, it was placed on hold due to unforeseen circumstances. Work has now resumed and will continue for approximately three and a half months. Crews will be working Monday to Friday, from 7 a.m. until 4 p.m. Weekend work may be required.

WHAT CAN I EXPECT DURING CONSTRUCTION?

Please expect the following equipment on-site:

- ENMAX and contractor vehicles, hydrovac trucks, crane, and associated utility equipment
- Construction barricades, safety fencing and road signage
- Ground restoration will take place following the completion of this work, if required.

TRAFFIC & PARKING ACCOMMODATIONS

Please expect the following on-site:

August 27, 2021 for approximately two weeks:

- Crews are performing electrical work in front of 1300 8 Street SW and in the alleyway east of 8 Street SW
- Intermittent restrictions along 8 Street SW and within the alleyway during work hours; please follow on-site signage

September 13, 2021 for approximately three months:

- Northbound lane closures along 8 Street SW which will be in effect **24/7 throughout the project**; single lane traffic will be maintained; please follow on-site signage
- Alleyway entrance east of 8 Street SW will remain open, however please expect some intermittent alleyway restrictions while crews are working
- Partial sidewalk detours in effect along east side of 8 Street SW. Please note, the sidewalk and main entrance/exit for Best Western Plus Downtown will remain open and accessible from 14 Avenue SW
- Parking garage access for 1300 8 Street SW will be maintained, however please expect intermittent restrictions while crews are working

POWER SUPPLY

A power outage is not currently required to facilitate this work.

NOISE

There may be an increase in noise and/or minor vibrations during construction activities. Please be advised we comply with the City of Calgary's Community Standards Noise Bylaw. In the event we are required to temporarily exceed these levels, necessary permits are obtained from the City.

MAP (The red areas represent the approximate locations where crews will be working. The yellow areas represent lane closures. *Please note, yellow areas will be restricted 24/7 throughout the project for equipment set up.*)

OUR COMMITMENT

ENMAX is committed to being a responsible corporate neighbour in the communities we serve. This commitment includes responding to public concerns and inquiries to allow for meaningful project dialogue. This allows us to deliver value-driven service in a responsible and accountable manner. We appreciate your cooperation while we continue to provide reliable power to all Calgarians.

QUESTIONS?

If you have any questions about this work, please contact our Power Customer Relations team at 403-514-3990 or email powercustomerrelations@enmax.com.

**** If you are a Property Manager for a building located on this route, we kindly ask that you provide tenants with a copy of this notice.**

**Please note that ENMAX makes every effort to work within the schedule, as indicated above. At times, unforeseen circumstances may prevent us from carrying out the work as planned. We kindly ask for your understanding if additional time is required.*
