

# CONSTRUCTION NOTICE

**JUNE - OCTOBER 2021**

**Ref #21353498**

## **\*\*PROJECT UPDATE – TIMELINE EXTENSION\*\***

*We appreciate your cooperation while we continue to provide reliable power to Calgarians.*

### WHAT'S HAPPENING?

ENMAX Power is upgrading the electrical services in your area. We will be relocating underground electrical infrastructure and rebuilding an underground manhole to support a new development. By doing so, we can continue providing you with safe and reliable power.

### WHERE?

This work will take place in the alleyway between 11 Avenue SW and 12 Avenue SW, west of 4 Street SW (see map on opposite page).

### WHEN?

- **August 2021:** Work is ongoing and will continue until end of month
- **September 1 to September 20, 2021:** No anticipated construction activities on-site
- **September 20, 2021 for approximately six weeks:** Crews will be working Monday to Friday, from 7 a.m. until 4 p.m. Weekend work may be required.

### WHAT CAN I EXPECT DURING CONSTRUCTION?

#### **VISUAL**

Please expect the following equipment on-site:

- ENMAX vehicles, hydrovac trucks and associated utility equipment
- Construction barricades, safety fencing and road signage

Ground restoration will take place following the completion of this work (if required).

#### **TRAFFIC & PARKING ACCOMMODATIONS**

Please expect the following during construction:

- Partial alleyway closure between 11 Avenue SW and 12 Avenue SW; please follow on-site signage
- Work along 4 Street SW is complete; no further restrictions anticipated
- **Starting on September 20, 2021 for approximately six weeks:** New restrictions in the alleyway while crews rebuild a manhole; please use the following entrances and exits:
  - Park Central: Access will be maintained via 12 Avenue SW
  - The Castello, 540 12 Ave SW, 555 11 Ave SW: Access will be maintained via 5 Street SW

#### **NOISE**

There may be an increase in noise and/or minor vibrations during construction activities. Please be advised we comply with the City of Calgary's Community Standards Noise Bylaw. In the event we are required to temporarily exceed these levels, necessary permits are obtained from the City.

## POWER SUPPLY

A power outage is **NOT** currently required to facilitate this work.

MAP (The work areas indicated below are approximate only and not to scale. **New alleyway restrictions shown in the map below are in effect as of September 20, 2021.**)

## OUR COMMITMENT

ENMAX is committed to being a responsible corporate neighbour in the communities we serve. This commitment includes responding to public concerns and inquiries to allow for meaningful project dialogue. This allows us to deliver value-driven service in a responsible and accountable manner. We appreciate your cooperation while we continue to provide reliable power to all Calgarians.

## QUESTIONS?

If you have any questions about this work, please contact our Power Customer Relations team at 403-514-3990 or email [powercustomerrelations@enmax.com](mailto:powercustomerrelations@enmax.com).

**\*\* If you are a Property Manager for a building located on this route, we kindly ask that you provide tenants with a copy of this notice.**

*\*Please note that ENMAX makes every effort to work within the schedule, as indicated above. At times, unforeseen circumstances may prevent us from carrying out the work as planned. We kindly ask for your understanding if additional time is required.*
