### What's happening?

ENMAX Power is performing maintenance on electrical services in your area. Crews will be performing exploratory excavation work to better understand the area. The work is necessary in advance of proposed future work to modernize our electrical equipment. We understand that this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

**If you are a Property Manager for a building affected by this work, please share this notice with your tenants.**

## 1 STREET SW – ALLEYWAY— PHASE 2

### What to expect:

We make every effort to minimize the effect our work has on daily activities, and we follow all applicable standards and bylaws. Below are the things to be aware of related to this project.

#### During construction:

- ENMAX and contractor vehicles, hydrovac and bucket trucks and associated utility equipment will be onsite.
- Construction barricades and/or safety fencing.
- Project and/or road signage.
- Noise and/or minor vibrations during construction.

#### Power outages:

- A power outage is not required to facilitate this current work **but may be required for Phase 3**. If your address is impacted, you will receive a separate notification in advance with the outage information.

#### Road and alleyway access:

- No through traffic; please follow detour signage.
- **Alleyway entrance/exit will remain open;** please follow road signage.

#### After construction:

- Areas affected by the project will be repaired once work on is complete (weather permitting).
- An additional notification will be provided regarding Phase 3 work, once scheduled.
