(The work areas indicated below are approximate and not to scale)

Project details:

Reference: 21249127

Location:

830 9 Avenue SW and surrounding areas.

Dates:

Exploratory work will commence the morning of Friday, January 13, 2023, and continue until the evening of Monday, January 16, 2023.

Work times:

January 13 to 16, 2023 from 7 a.m. - 7 p.m.

What's happening?

Minor excavations are required around existing maintenance holes in the area to better understand underground electrical infrastructure and to confirm other underground utilities.

We understand this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

If you are a Property Manager for a building affected by this work, please share this notice with your tenants.

SUBSTATION NO. 1 (9 AVE SW & 7 ST SW)

What to expect:

We make every effort to minimize the effect our work has on daily activities, and we follow all applicable standards and bylaws. Below are the things to be aware of related to this project.

During construction:

- ENMAX and contractor vehicles, hydrovac and associated utility equipment will be on-site.
- Construction barricades and/or safety fencing (if required).
- Noise and/or minor vibrations during construction.
- Snow removal may be required in advance of construction to ensure safe and unobstructed access to electrical infrastructure.

Power outages:

- A power outage is not required to facilitate this work.

Road closures, detours, parking, and access:

- **Dual lane closure along 9 Avenue SW**; please follow on-site signage and detours (see map on reverse page – red zone).
- **Single lane closure along 7 Street SW between 8 Avenue SW and 9 Avenue SW (eastern lane)**; please follow on-site signage and detours (see map on reverse page – red zone).

Road closures, detours, parking, and access: (continued)

- **Alleyway entry via 7 Street SW, between 8 Avenue SW and 9 Avenue SW will be closed**; please use alternate alleyway entrance and follow on-site signage (see map on reverse page – yellow zone).
- **No street parking** along north side of 9 Avenue SW and along 7 Street SW between 8 Avenue SW and 9 Avenue SW (see map on reverse page – red zones).
- **Flaggers will be on-site** to assist with alleyway access
- **Limited sidewalk access** adjacent to work zones, please follow on-site signage and detours (see map on reverse page – red zones).

After construction:

- Areas affected by this work will be restored once this portion of work is complete.
- Normal traffic access along 9 Avenue SW will be restored by the evening of Sunday, January 15, 2023.
- Normal traffic access along 7 Street SW will be restored by the evening of Monday, January 16, 2023.

Impacted stakeholders will receive ongoing notification and additional information throughout the project.
