

830 9 AVENUE SW

Project Update – Tree Removal

Project details:

Reference: 21249127

Location:
830 9 Avenue SW.

Dates:
Tree removal will occur week of
January 24, 2022.

Duration:
Tree removal will take
approximately 5 days.

Work times:
Weekdays, 9 a.m. - 3 p.m.

What's happening?

ENMAX Power Corporation is replacing the existing ENMAX Substation No. 1, located at 738 9 Avenue SW. Originally built in 1912 to power streetlights and the streetcar rail system in downtown Calgary, a new substation is required to ensure the reliability and integrity of ENMAX's transmission system, and to ensure the reliable supply of electricity to the City of Calgary.

We understand that this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

If you are a Property Manager for a building affected by this work, please share this notice with your tenants.

CONSTRUCTION NOTICE

JANUARY 2022

830 9 AVENUE SW

What to expect:

We make every effort to minimize the effect our work has on daily activities, and we follow all applicable standards and bylaws. Below are the things to be aware of related to this project.

Project Timeline:

- From January 24-28, 2022, existing trees need to be removed to clear space for construction of the future ENMAX Substation No. 1.
- Construction will begin in Q1 of 2022, and impacted stakeholders will receive advance notification and additional information once construction dates have been scheduled.

During tree removal, expect to see:

- ENMAX and contractor vehicles, hydrovac truck, arborist truck, chipping machine, bucket trucks and associated utility equipment will be onsite.
- Trees cut down to ground level.
- Construction barricades and/or safety fencing.
- Project and/or road signage.

Road closures, detours, parking and access:

- Temporary lane closures along 9 Avenue SW and 7 Street SW will be required; please follow signage.
- Alleyway access via 7 Street SW may be limited; crews will work to minimize impacts.

We're here to help.

If you have any questions about this project, please reach out to our Customer Relations Team:
