

8 AVE SW, 9 AVE SW, 7 ST SW & 8 ST SW – Substation No. 1

Project map:

(The work area indicated below is approximate and not to scale)

Project details:

Reference: 21249127

Location:

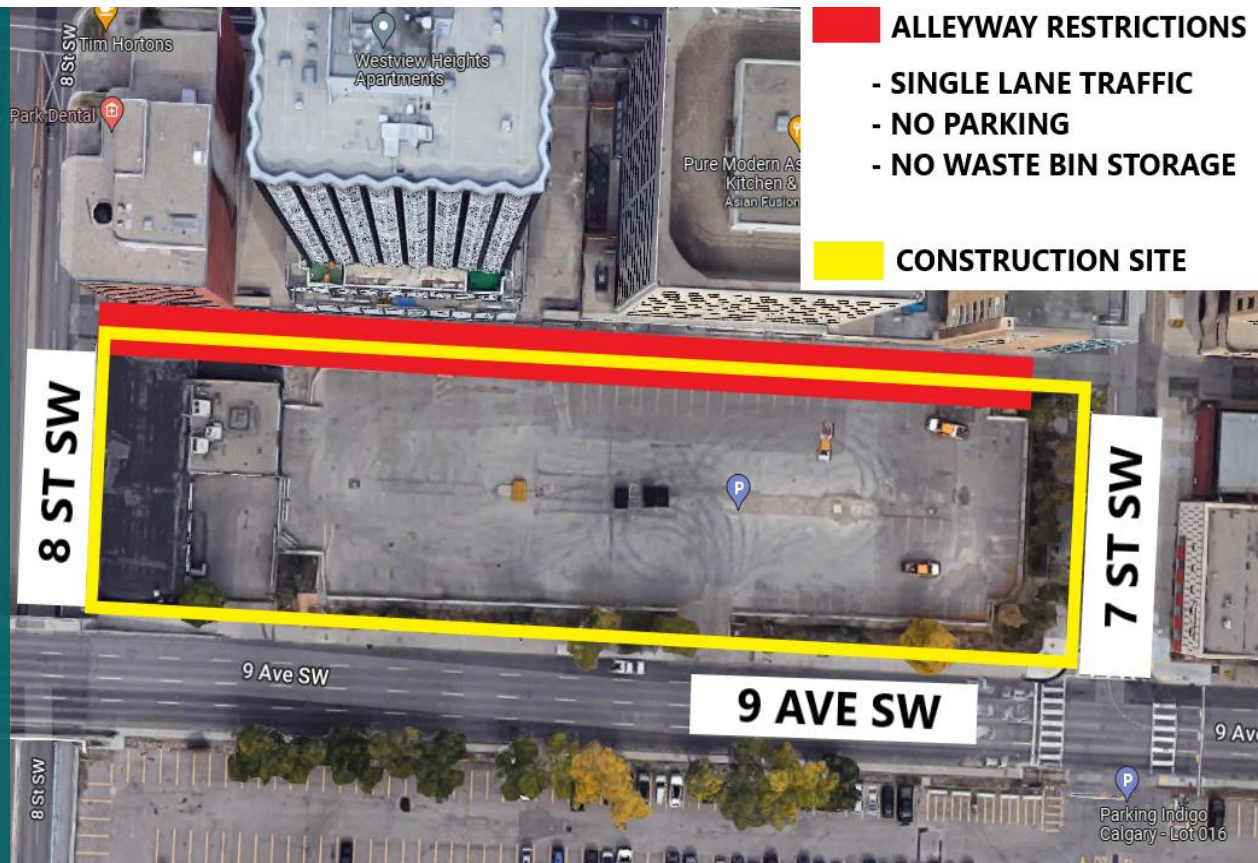

830 9 Avenue SW and surrounding areas.

Dates:

- Alleyway restrictions May – November 2022.
- Construction to begin May 2, 2022 and continue into 2025.

Work times:

Weekdays, 7 a.m. - 5 p.m. Some weekend and after-hours work will be required.

What's the update?

Preparatory work is now complete, and construction at the new ENMAX Substation No. 1 site (830 9 Ave SW) is scheduled to begin **May 2, 2022**. Our contractor, Graham Construction & Engineering, is required to extend the existing construction fence line 6 ft north into the alleyway between 8 Avenue SW and 9 Avenue SW. This is necessary to install shoring for the new building foundations. City of Calgary permits have been obtained for work extending into the alleyway. We understand this work may create some inconveniences, and we thank you for your understanding and cooperation as we deliver on our commitment to provide reliable power to all Calgarians.

Please ensure the alleyway is clear of all obstructions. Waste bins located in the alleyway that do not have permits must be relocated prior to May 2, 2022. Bins that are not relocated by this date will be removed by City of Calgary Bylaw.

If you are a Property Manager for a building affected by this work, please share this notice with your tenants.

8 AVE SW, 9 AVE SW, 7 ST SW & 8 ST SW – Substation No. 1

What to expect:

We make every effort to minimize the effect our work has on daily activities, and we follow all applicable standards and bylaws. Below are the things to be aware of related to this project.

Project Timeline:

- **May – November 2022:** Construction fencing to extend 6 ft north into alleyway between 8 Ave SW and 9 Ave SW (see map).
- **May 2, 2022 continuing into 2025:** Construction of the new ENMAX Substation No. 1.

Impacted stakeholders will receive ongoing notification and additional information throughout the duration of this project.

During construction, expect to see:

- ENMAX, Graham and contractor vehicles, including excavators, skid steers, dump trucks and associated utility equipment.
- Construction barricades and safety fencing.
- Project and road signage.

Road closures, detours, parking and access:

- Strictly no parking in alleyway.
- Alleyway will be narrow with fence extension, limited to single lane traffic only.
- Parkade access in alleyway will be maintained; please follow signage.
- Alleyway access may be limited to only one entry/exit (7 St SW/8 St SW) at certain times.
- Intermittent lane and sidewalk closures along 9 Avenue SW, 7 Street SW and 8 Street SW; please follow signage.

We're here to help.
