CONSTRUCTION NOTICE

MAY 2022

8 STREET S.W. ALLEYWAY

Project map:

(The work areas indicated below are approximate and not to scale)

Project details:

Reference: 21481548

Location:
Alleyways between Dalton Drive NW and Dalmead Crescent NW (**see map on left**).

Dates:
Pre-construction work will begin on April 27, 2022.

Construction will begin on **May 2, 2022**.

Duration:
We estimate this project will take approximately five (5) weeks.

Work times:
Weekdays, 7 a.m. - 4 p.m.
Some weekend work may be required.

What's happening?

ENMAX Power is upgrading the electrical services in your area. We are replacing several kilometres of existing overhead distribution lines to support Calgary's evolving electrical needs. We will also be replacing some of the existing power poles and anchor supports located in the utility rights-of-way.

If you are a Property Manager for a building affected by this work, please share this notice with your tenants.

CONSTRUCTION NOTICE

MAY 2022

8 STREET S.W. ALLEYWAY

What to expect:

We make every effort to minimize the effect our work has on daily activities, and we follow all applicable standards and bylaws. Below are the things to be aware of related to this project.

During construction:

- ENMAX and contractor vehicles, bucket trucks and associated utility equipment will be onsite.
- Construction barricades and/or safety fencing.
- Project and/or road signage.
- Noise and/or minor vibrations during construction.
- Trees growing too close to overhead power lines will be trimmed for safety.
- **Access to fenced yards or property may be required**. If you have concerns with crews entering your property, please contact our Customer Relations Team at 403-514-3990.

Power outages:

- Power outages will be required for this project. **If your address is impacted, you'll receive a separate notification in advance outlining important outage information.**

Road closures, detours, parking and access:

- Alleyways and roadway access may be restricted when crews are working behind your property.
- Street parking may be limited at times.
- Please ensure the area surrounding utility equipment is clear of obstructions.

After construction:

- Areas affected by the project will be repaired once work is complete (weather permitting).
- Ongoing maintenance of repaired areas on private property is the responsibility of the homeowner/property manager.

We're here to help.

If you have any questions about this project, please reach out to our Customer Relations Team:
